Styles & Scribbles Announces Release of New Rice Family Law Web Site

September 1, 2006—SEATTLE, WA—Styles & Scribbles, a writing and design services firm specializing in creating audience-centric information, today announced the release of the newly redesigned Rice Law, PLLC Web site.

“We love the new site,” said Mark Spencer Williams, attorney at Rice Law. “As usual, I am impressed. Styles & Scribbles pricing also continues to remain reasonable.”

The site, www.ricefamilylaw.com, has undergone a complete redesign and includes new content to better position the firm in the areas of family and education law. The new site plays on the company’s brand colors, and provides legal information by topic as well as general information about the firm.

“It is always a pleasure working with Mr. Williams,” said Tiffany Adamowski, business director of Styles & Scribbles. “He has a strong understanding of his brand, which makes it easy to pick out just the right imagery to complement the content.”
