

GARDEN BOTANIKA®

Natural Beauty Care

Olive Soy Body Cleanser

Product

This rich, foaming cleanser rinses away surface impurities while nourishing skin naturally with soy proteins and amino acids. Antioxidant-rich Olive Leaf Extract joins moisturizing Ceramide 3 and Soybean Extract for a restorative cleanser gentle enough for everyday use.

Product Benefits

Gently cleanses the skin.

Moisturizers nourish the skin and leave it feeling soft.

Antioxidants help to restore skin's youthful texture.

Directions

In the shower, pour a small amount on a wet sponge or loofah and lather. Follow with Olive Soy Body Lotion or Olive Soy Body Butter.

Caution: None.

Recommended For Use By

All skin types where a cleansing gel is preferred.

Key Botanicals and Benefits

Soybean, leaves skin feeling smooth and silky soft.

Olive Leaf, a rich source of antioxidants; corrects rough skin.

#604480 [UPC]

Touch  Olive Soy Body Cleanser

Differentiating Benefits

Extracts of Olive and Soy are combined to moisturize and protect body skin.

Additional Applications / Selling Tips

Olive Soy Body Cleanser can also be used as a foaming bath gel. Pour a capful under running water for a bubbly bath.

Cap tightly after use and store at room temperature.

Folklore

For centuries, the people of the Mediterranean have known of the restorative power of the olive while on the other side of the world, Asian cultures praised the age-defying benefits of soy. Garden Botanika combines these two potent elements of nature in our new Olive Soy Collection. These thoughtfully crafted products are rich in nourishing emollients and naturally effective in reducing the signs of advanced aging.
